

1X1 CREATIVITY EXPO RULES & TURN-IN INFO

1) Your art (or craft or doo-dad or whatever you wanna call it) should utilize the provided materials from your entry kit, including the bag they came in. You may paint, construct, deconstruct, annihilate, etc any of the contents that you choose to use and you can feel free to add you own materials or parts and pieces. At the very least, however, your completed piece must be affixed, connected, applied to, built from and/or utilize the entirety of the official 1x1 board (the fancy piece of plywood in the bag). Using the other contents of the kit to create your piece will get you mad MacGyver points and shows the level to which your creativity glistens (and/or the size of your mullet :-)

2) Return your completed piece and this sheet INSIDE a tied plastic bag by or before **NOVEMBER 28TH. See adfedcentral.com for drop-off locations or bug Cory @ 320.492.0394 or cory@meta13.com to arrange pick-up or drop-off.**

3) Submitting your art on time will gain you free entry to the event.

GOOD LUCK!
