**Presenting a very special social event:
The Advertising Federation 1 by 1 Art Gala Extravaganza
Thursday • December 7th • 5:30 Opening
Red Carpet Event Center (Below Martini Lounge)**

In place of the boring ol' annual ODDY event, we are throwing one of the year's best party / fund-raisers. The 1' by 1' Art Gala Extravaganza will have on display over 50 pieces of art done by a mixture of the area's fine artists, local graphic designers and marketing folk (aka: Adfedders), and a even a few relatively non-artistic business executives. All pieces will then be held for silent auction. Proceeds will go towards Adfed of Central MN, benefitting in particular the local National Student Advertising Competition and Student Portfolio Reviews.

There will be a \$5 entry fee, which provides you with a \$5 token that can be leveraged during the silent auction. Food and entertainment are also provided. A full service bar will also be open.

All art contributors will receive recognition on the Adfedcentral.com website. The artist with the highest auction price will receive special recognition and rewards.

More information about the event, participating artists, entertainment and any other news about the event will be posted on adfedcentral.com as it becomes available. RSVP (recommended) at adfedcentral.com by noon December 5th.
