For Immediate Release:

Adventure™ Adds Sam Voss to Growing Staff

May 3, 2010 – Brainerd, MN – Adventure recently added Sam Voss as Account Manager to work on the agency's regional and national accounts. Voss will help support the growth of the agency – and the breadth of services offered out of Adventure's Brainerd Headquarters and St. Cloud office.

Voss has over 11 years of agency experience working at Russell Herder as a Project Manager for their Brainerd and Minneapolis offices. She worked on a host of regional and national clients including: Flat Earth Brewing Company, Just for Kix, Marvin Window & Doors, Cold Spring Granite, Shooting Star Casino, Graco, MN State University – Mankato, North Dakota State College of Science, MN Department of Health, Innovis Health and Hennepin County Medical Center.

Adventure is nationally recognized for their strategic problem solving, creative thought-process, award-winning creative executions and commercial photography. As a full-service advertising agency, Adventure works on a project basis, contributing marketing communications to both regional and national brands.

Additional information on Adventure can be found at the company's website: www.adventureadvertising.com
